

# Calvin Nickholas Kurniawan

## Full-stack Developer

I'm a versatile full-stack web developer with a passion for creating innovative solutions. With a strong background in front-end and back-end development, I thrive on learning new technologies and taking on challenges. As a natural leader with excellent critical thinking skills, I'm able to work effectively in teams and consistently deliver results.

Kuta Bumi, Pasar Kemis, Tangerang, Banten 15561, Indonesia
